D.O.No. 23-4/2023-Stats   **09th November, 2023**

Kind reference is drawn to the D.O. Letter of even number dated 25.08.2023 regarding completion of UDISE+ data entry for the year 2023-24 by 31st October, 2023. A copy of the letter is enclosed for reference.

2.   I have reviewed the data entry progress in UDISE+ portal, and only 34.09% school profile, 38.82% teacher's profile and 16.96% student profile have been completed so far in UDISE+ portal, which you would agree is not satisfactory, in spite of the fact that the data entry burden of states has been reduced appreciably in 2023-24 (State/UT wise data enclosed.)

3.   Considering the requests received from many States/UTs regarding extension of last date of data entry for 2023-24, and given the fact that elections are going on in many states, the last date of UDISE+ entry data for the year 2023-24 has been extended upto **31st December, 2023.**

4.   I would deeply appreciate if the State/UTs submit final data by **31st December, 2023**, which includes data verification, data validation and certification and no further extention shall be granted.

Yours sincerely,

Enclosure: As above
